PROFILE SUMMARY

Experienced Architect and Designer with 10+ years of expertise in healthcare, education, and commercial project types. Proficient in various aspects of project management, including project documentation, coordination, code analysis, design expertise, and mentoring. Skilled in utilizing Revit for 3D modeling, creating detailed construction drawings, and producing accurate visualizations. I am dedicated to delivering high-quality design solutions that exceed client expectations and contribute to the success of every project.

WORK EXPERIENCE

Associate | Project Architect HarrisonKornberg Architects | Houston, TX | 2019-2022

Overseeing the design and documentation of K-12 Education projects, active participation in associate and management office meetings, leadership in coordination meetings, and commitment to mentoring junior staff.

Design Management

- Oversaw end-to-end execution of K-12 educational projects, ranging from 40,000 SF to 200,000 SF, average of \$13M to \$44M in construction cost from initial schematic design to construction administration.
- Led coordination meetings, client presentations, and community presentations for various design phases, ensuring effective communication and collaboration.

Employee Learning + Development Management

- Training six junior staff with Revit tips and tricks, Enscape, and VR technologies
- Coordinated Continuing Education Units (CEUs), confirming compliance with industry standards and professional development.
- Actively engaged in community outreach initiatives, contributing to the company's positive reputation, and establishing valuable connections within the community.

Architect II

Supervised several projects and redlined documents to guarantee precision and conformity with guidelines, while delivering exceptional results within budget and timeline constraints. Worked effectively with city officials to thoroughly assess building codes and ensure compliance. Skillfully coordinated and led consulting meetings, fostering open lines of communication and teamwork among all participants.

- Received exceptional client feedback, resulting in high satisfaction and an overall positive experience.
- Supervised two subordinates during the design and construction document phase.
- Revamped the previous design of the high school project to meet and exceed the client's expectations.
- Directed and executed design solutions for exterior and interior environments, creating innovative and functional spaces focusing on space planning, wayfinding, finishes, and functionality to achieve project goals.

Project Architect Kirksey Architects | Houston, Texas | 2017-2019

Managed small-scale projects from initiation to completion, ensuring timely delivery and adherence to project objectives. Achieved a significant milestone demonstrating exceptional performance and exceeding expectations. Executed five concurrent projects, demonstrating exceptional multitasking and organizational skills.

- Played a crucial role in space planning, utilizing organizational skills to optimize layouts and create efficient environments. Delivered 3D modeling and interior renderings, producing visually stunning representations that exceeded client expectations.

Bridgett Weaver

- Maintained comprehensive documentation throughout the project, from schematic design to construction documents.
- Trained the team, imparting knowledge on new standards, tips, and plugins using Revit, improving productivity, and streamlining workflows.

Project Coordinator + Designer

Gresham Smith | Houston, Texas | 2015-2017

Collaborated and implemented comprehensive documentation and design initiatives for healthcare projects.

- Collaborated with the design team in creating comprehensive schematic and construction documentation for multiple healthcare projects with Healthcare Corporation and HealthSouth.
- Guided the development of exterior design schematics, design charrettes, and 3D modeling in Revit as an integral part of the architectural design team.

Architectural Designer

PDR Planning, Design, + Research | Houston, Texas | 2014-2015

Involved in strategic planning activities for space planning across two buildings and seventeen floors for Exxon Mobil for improved resource usage and productivity.

- Worked together across Exxon Mobil departments to gain support for space proposals.
- Optimized project efficiency through expert use of Revit during the design, development, and construction document phases.

Architectural Designer

100 Fold Studio | Lakeside, Montana | 2011-2014

Collaborated with clients and community members using participator methods for US and International Nonprofits clients.

- Provided designed solutions for master planning school campus in Turner Valley, Canada.
- Helped with client fundraising packages through 3D modeling, renderings, visual packets, and presentation boards.
- Researching and implementing international culture, building processes, and materials for locations in Haiti and Africa. Conduct a site survey with an engineer in Haiti to evaluate and appraise multiple locations, ensuring accurate data collection and providing valuable insights for the project planning and implementation for the agricultural training center.
- Assisted in constructing a house with Homes of Hope in Mexico and design-build cabin for a local camp in Montana.

Interior Designer

The M Group Architects | Reston, VA | 2007-2009

Managed small-scale commercial interior projects from initiation to completion.

- Space planning, FFE selections, client presentations, and construction documents thru construction administration.
- Developed, researched, and implemented LEED ID+C office standards and interior material choices.

EDUCATION

Master of Architecture | The University of Cincinnati

2009-2013

Thesis: Contributing Meaningfully as a Foreigner

Bachelor of Science Interior Architecture | The University of North Carolina at Greensboro

2001-2005

Study Abroad: Finland + Hongkong

ACHIEVEMENTS

PROFESSIONAL

Registered Architect | Registered Interior Designer | LEED AP ID+C | SEED

RECOGNITIONS

2022 IIDA Texas, Chapter Emerging Leader Program, Sponsored by HKA | NCIDQ Ambassador
NCIDQ Panelist Speaker | IIDA Mentor | AIA HSW Speaker – Sustainability + Biophilia

VOLUNTEER

Junior League of Houston | BLS – CPR Instructor | IIDA Mentor

SELECTED PROJECTS

HEALTHCARE

Memorial Hermann, Ironman Sports, and Orthopedic Clinic | 40,000 SF | \$10M

Programming, Client Meetings + Presentations, SDs, DDs, CDs

Menninger Outpatient Clinic + Education Center | 30,000 SF | \$13M, Type IIB

Programming, Client Meetings, 3D Exterior + Interior Rendering, Project Coordination, SDs, DDs, CDs,

MD Anderson Cancer Center | 25,000 SF

User group meetings, programming, space planning

Texas Children Hospital, USP 800 Pharmacies, Level 9 + 14 | 900 SF

Coordination Meetings with Clients + Consultants, Field Measurements, Equipment Coordination, CDs

Houston Dow Quad Med Clinic | 4,500 SF | \$1.5M, Type IIB

Client Management, Space Planning, CDs, Onsite Construction Administration Management

Sugarland Rehabilitation Clinic | 45,000 SF | \$11M, Type IIB

Interiors – DDs, CDs

Harris County Pets (Veterinary Clinic) | 55,000 SF | \$24M (See below for photos)

Interiors – 3D Modeling, Interior Renderings, CDs

Kelsey-Seybold, Kingwood + Cypress Clinics | 30,000 SF | \$15M

CDs, Millwork Detailing

Reston Hospital Expansion, HCA | 180,000 SF | \$40M

Exterior Modeling + Design, Design Charrettes, SDs, DDs, CDs

HealthSouth Rehabilitation Hospital in Pearland | 48,500 SF | \$20M

DDs, CDs

EDUCATION

OD Wyatt High School Renovation 176,000 SF + Addition 25,000 SF | \$44M, Type IIB

Job Captain, Project Designer of Exterior Canopy + Interior, Space Planning, Renderings, FFE Selection, Project Coordination, DDs, CDs

Barbara Jordan Elementary School Addition + Renovation | 57,000 SF | \$13M, Type IIB

Project Architect, Designer for Exterior Canopy + Interiors, FFE Selection, Project Coordination, Renderings, SDs, DDs, CDs, Construction Administration Management, CHPS documentation

JJ Rhoads Early Learning Center Renovation – Phase 1 | 4,000 SF | \$3.8M, Type IIB, IIA

Project Architect, Designer for Interior Renovation, FFE Selection, Project Coordination, Interior Renderings, SDs, DDs, CDs, CA

Agricultural Training Center, Lighthouse LANDS

Site Visit + Survey, Material Research, Master Planning, Thesis Research, Client Meetings

Educational Facility for Turner Valley, YWAM

Site Visit, Site Survey, Fundraising Package, Zoning Codes, Rendering, Space Planning

Educational Facility for Lakeside, MT, YWAM

Master Planning, Renovation of Dorm Room, Laundry, Gym, Exterior Canopy Design

COMMERCIAL + INTERIORS

Exxon Mobil, Project Converge, Interior Build, 17 Floors | 478,000 SF | \$68M, Type IIB

Programming, Client Meetings, Space Planning, DDs, CDs, LEED Documentation

Menninger Gathering Place, Interior Renovation | 8,000 SF | \$900,000

Renderings for fundraising package, Space Planning

Reveal Med Spa | 4,000 SF, Type IIB

Space Planning, Client Meetings, Interior Finishes, CDs

List Innovation Solutions, Tenant Buildout | 15,000 SF, Type IIB

Space Planning, Client Management, Interior Finishes, CDs, CA – weekly CA meetings, Submittals

KPMG, Interior Buildout

Space Planning, CDs

NJVC, Interior Renovation

Space Planning, Interior Finishes, Millwork Detailing, CDs
